

AMENDMENTS TO THE SPECIFICATION

Please amend the title in the specification to read as follows:

~~Print~~ System for Providing Content from a Host to a Printer Device

Please amend the specification beginning on page 2, line 6 as follows:

However, along with the spread of the consumers' acting area nowadays, people do not always buy goods only around their houses, For example, when a person works in an office in the next town, he/she may do shopping in a store in the next town on his/her way home.
